Twenty research works were completed in fiscal year 2018-2019 and all research teams submitted their final research reports with findings and recommendations. These research works were coordinated by the Research and Documentation Division, NAEM. A thanksgiving ceremony was arranged at NAEM conference hall on 7 July 2019. Hon'ble Education Minister, Dr Dipu Moni MP was present on the occasion as the chief guest to enlighten the event. Hon'ble Deputy Education Minister, Mohibul Hassan Chowdhury MP, Md Sohorab Hossain, Senior Secretary of Secondary and Higher Education Division (SHED), Ministry of Education and Prof Dr Syed Md Golam Faruk, Director General, Directorate of Secondary and Higher Education, SHED, Ministry of Education, were present as special guests in this event. Prof Ahmed Sajjad Rashid, DG

of NAEM presided over the ceremony. In his speech, Hon'ble Deputy Minister talked about the importance of education research and also described how good research works have an impact on the development of a country through providing practical suggestions and guidelines. Hon'ble Minister of Education repeatedly emphasised on maintaining quality of these GoB funded research works. She opined that only quality research works would help the policy makers of the ministry of education and other stakeholders improve the existing education system and thus could contribute to the national development of the country. She also mentioned that there is no alternative to quality education research to reach the goal of SDG 4. Later, Hon'ble Minister of Education thanked all research teams for their research works and handed over the cheques to all twenty research teams.

Editorial

Quality has become the most talked about topic in the field of education of our country. For ensuring quality education our present government has taken a number of feasible plans and programmes and has also been spending a large amount of money to strengthen the infrastructures of all kinds of educational institutions like schools, madrasahs, technical and vocational institutes, colleges and universities and train up the heads, teaching practitioners and other staff of those institutions. As a national academy, NAEM gives training, offers new courses and revises training courses for the stakeholders in education to meet the goal of the government. As NAEM plays a great role to enhance the quality of education, its newsletter reports on the noteworthy programmes, training courses and other important events arranged by NAEM and the ministry of education, Bangladesh.

This newsletter is the third issue of the year 2019 and it highlights all significant training courses, events and occasions happened in the quarter July to September 2019. During this period, two major training courses namely 154 FTC and 155 FTC for BCS (General Education) cadre officers ended. On the other hand, a new batch of BCS (General Education) cadre officers enrolled in 156 FTC which was inaugurated at NAEM campus. Another esteemed course 20 Senior Staff Course on Education and Management (SSCEM) took place in this quarter.

The current issue also reports some important events arranged at NAEM such as observing National Mourning Day, celebration of Rabindra-Nazrul jubilee, welcome monsoon season, debate competition for FTC participants and blood donation programme for FTC participants.

My heartiest thanks go to the advisor for his suggestions and the editors, assistant editor, and board of members for their sincerity and hard work. I wish your good health and happiness.
